May 2017

Dear Parents and Guardians:

Arrangements have been made for your child to visit Anthony Wayne Middle School on the morning of Tuesday, May 23rd to begin their middle school transition. We are confident they will be impressed by our facility and engaged by faculty members dedicated to advancing student growth and achievement. During the visit, students will tour the campus and meet with the administration and guidance counselors.

We recognize that the success of Anthony Wayne depends in large part on our partnership with families. Therefore, we cordially invite you to join us on the evening of **Tuesday, May 23rd at 7:00 pm** in our Cafetorium for a parent orientation (we kindly request that students not attend). The evening program will provide you with an opportunity to meet the administration, nurse and guidance staff as well as receive information about student expectations, schedules and activities. Anticipating that most of our incoming families will attend this event, please make every effort to carpool as parking is limited.

A smooth transition between elementary and middle school is an integral component of student success. We hope that you will join us in preparing the foundation for achievement at the next level. We look forward to meeting you and your children!

Sincerely,
David A. Aulenbach
Principal
Anthony Wayne Middle School
